2 It will be seen from the copies of the Dy: Com'rs letters sent up, that the temples have been inspected by the Ex: Engr & the D. com'r & that the works are urgently & absolutely necessary.

3 The cost is proposed to be met out of the current year's State grant of Rs 10000/-. With regard to this it has to be noted that in another connection the Mny: Com'r has stated that a sum of Rs 2254-11-6 has already been sanctd out of the State grant, that a sum of Rs 3477-14-1 has been proposed to be sanctd for three institutions, estimates for which are pending; and that the balance of Rs 4267-6-5 would be allotted on receipt of requisitions from Distts. As a sum of Rs 3000 has been recently sanctd by Govt out of the State grant for the repairs of the Jumma Masjid at Mysore, the balance available appears to be only Rs 1267-1-5. This amount is apparently inadequate to meet the present charge of Rs 1572, not to speak of the disadvantage to be caused to other deserving institutions.

4 It is a point for consideration & orders whether the

26. Information has not yet been received about the Guṇjanarasimha Swami temple, the repairs of which take a large slice of the whole amount. Though Agastheeswara Swami temple is not directly concerned, that being the Chief temple of the place, the Srikaryam in the Tirumakkottai Banking Account for the Small temple of Jamadhana Swami may perhaps be sanctioned out of it, the amount being small viz Rs 312 + 183 = 495. The balance at the credit of the Mulasthaneswara temple being very small, the Srikaryam cannot meet it for Rs 1077 may perhaps be sanctioned from the Rs 1000 set apart from the Interest Earnings of the General Reserve Fund.

The Dharmadarsis of the Institution are of opinion that the cost of this estimate may be met out of State funds on the ground that there is very little money at the credit of the --- Temple to meet such extra costs. I have inspected the institution. The work is necessary.

Sir,

In continuation of this office letter No.C.540/24-25 dated 12th November 1924 submitting for sanction from State funds 4 estimates aggregating to Rs.1572/- for urgent repairs to certain temples and bathing ghats necessitated by damages caused to them by the recent floods at T. Narsipur, I have the honor to forward herewith another estimate for Rs.1841/- for repairing the Sri Gunja Narasimhaswami temple at the same place reported to have been damaged in the recent floods and to state as follows:-

The Deputy Commissioner in submitting the estimate reports that this temple is badly in need of repairs and that the funds at its credit is barely sufficient for its "Nithyakatle" expenses and proposes the cost being met from the state grant or funds specially allotted for flood relief works.

3 In my letter above referred to, a recommendation was made to sanction the previous 4 estimates, meeting the cost from State Funds. Now it is seen that a sum of Rs.3000/- has been sanctioned for the Jumma Masjid at Mysore (Vide G.O.No.695-7/Muz.362-22-7 dated 14th November 1924) and in addition to this, if the cost of the 4 estimates is met from the State Grant, I fear that there will be nothing left to meet emergent demands that may come up in the course of the remaining 7 months of the year. To provide against such contingency, I beg to propose that the cost of all the estimates including the one under

Letter No.C.199/24-25 dated 4th December 1924 from the Deputy Commissioner Mysore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.540/24-25 dated 1/2nd December 1924, enquiring as to what amount is available at the credit of the institutions in respect of the repairs of which estimates are sent for sanction, I have the honor to state that according to the Taluk - accounts, the Sri Mulasthaneswaraswami temple at Tirumukudlu had a sum of Rs.424-11-3 at its credit on 30th June 1924. The Comptroller's balance statement does not show the institutionwar balances in respect of minor institutions. Only one balance for all minor Temples in T. Narasipur Taluk is given in the Comptroller's statement.

As regards the repairs to the Bathing Ghat at Tirumakudlu there is no institution to whose funds, the cost can be legitimately debited. If it is meant to be met out of the Sri Agastheswaraswami temple funds the amount at the credit of this institution as it stood on 30-6-1924

is Rs.6239-13-3 as per Taluk Accounts while the Comptroller's figure is Rs.3635-5-6."
